Ceremony Altar: We have many options for altar décor, including multiple garland styles and swags. Choose individual greenery garlands with our standard draping or "layer" greenery for a lush look, with or without florals (see photos below). If you'd like to see additional photos of our inventory, let us know!

Standard ivory draping with layered spring greenery, eucalyptus garland ($65). Add florals in your choice of colors ($15) or DIY florals at no additional charge.

RECEPTION AREA TABLE CENTERPIECES

(Eucalyptus greenery garland with optional lighting & florals.)

You won't find these eucalyptus garlands anywhere else! We create the highest quality hand-built faux eucalyptus garlands. Each garland is full and lush and more natural in appearance than anything you can buy commercially. :)

Add garlands to rectangular tables ($15 ea.) and round tables ($10 ea.). Includes your choice of LED floating or pillar candles in glass cylinders and tea lights (in your choice of plain or vintage glass votives).

Add florals ($5 per table), and you are also welcome to add your choices of florals (DIY).

We also have “hurricane” vases to house pillar candles for the round tables. Add tables runners for ($2 per table) for additional color and texture (or DIY these).
